QUARTER 1, 2024

“Today a reader. Tomorrow a leader.” – Margaret Fuller

LETTER FROM THE PRINCIPAL

Dear Students, Parents, and Staff,

This year has begun with incredible enthusiasm and a renewed commitment to our community's values of respect, responsibility, and excellence. The growth I have witnessed in both academics and personal development has been truly inspiring.

As we move forward, I encourage everyone to take stock of their goals. The end of the first quarter is an excellent time to reflect on what you've accomplished and to think about how you can continue to grow. Whether it's improving grades or fostering kindness and cooperation among peers, every small step counts.

I'm also excited to announce that November is Parent Engagement Month. This is a great opportunity for parents to become more involved in our school community. There are many ways to engage: attending parent-teacher conferences, volunteering at school events, joining our monthly prayer with parents or even participating in activities like reading to students or helping with projects. Your involvement makes a huge difference in the lives of our students, and we welcome your partnership in fostering their success.

Thank you for your continued support. Together, let's make this year a memorable and successful one for all our students.

Warm regards,

Ms. Liliya

LETS REFLECT!

As we embrace our theme of G.R.O.W.T.H. this year, we want to highlight the letter "G," representing "*generosity*". We have reflected on how God showed us His generosity by sending His one and only Son. We encourage each of you to consider how you can practice generosity in your daily lives. Whether through small acts of kindness, volunteering, or offering encouragement, every gesture counts.

We would also like to extend our heartfelt thanks to everyone who attended our "Pastries with Parents" event. It was a pleasure to see such strong participation and engagement from our community. Your presence made the event truly special. Thank you for joining us!

Lastly, we encourage all parents to join us for our monthly "Prayers with Parents" gatherings. It is essential that we come together as a community, united in our faith. We look forward to seeing you there!

-We also ask for your caution while driving on campus. Please adhere to the 5 mph speed limit to ensure the safety of all our students and staff.

-Additionally, when volunteering, please remember to stop by the office to sign in and receive a visitor badge. Those without a visitor badge will be escorted to the office for security purposes.
